

## Science (9-12) Salem College

Minimum of two (2) semester hours is required to fulfill each of the following competencies unless otherwise noted.

| Competency |                                     | Course Prefix & Number | Course Title   | Course Offerings |
|------------|-------------------------------------|------------------------|--|------------------|
| A          | Biology (beyond introductory level) | BIOL 100               | Cell & Molecular Biology                                   |                  |
|            |                                     | BIOL 114               | General Botany   |                  |
|            |                                     | BIOL 215               | Developmental Biology                                      |                  |
| B          | Chemistry                           | CHEM 110               | General Chemistry  |                  |
|            |                                     | CHEM 120               | General Chemistry with Qualitative & Quantitative Analysis |                  |
|            |                                     | BIOL 210               | Ecology  |                  |
| D          | Physics                             | PHSC 210, 220          | General Physics I, II                                      |                  |
| E          | Additional Science                  | BIOL                   | Another Biology Course                                     |                  |
|            |                                     | CHEM                   | Another Chemistry Course                                   |                  |
|            |                                     | PHSC                   | Another Physics Course                                     |                  |
